

Accessibility Statement

Crosspoint Orbital is committed to ensuring digital accessibility for people with disabilities and strives to continually improve the user experience for everyone and apply relevant accessibility standards to achieve inclusive web access.

Measures to Support Accessibility

Crosspoint Orbital takes the following measures to ensure accessibility of **crosspointorbital.com**:

- Include accessibility throughout internal policies and design practices
- Integrate accessibility into development and content workflows
- Regularly test for accessibility compliance

Conformance Status

This website aims to conform to the **Web Content Accessibility Guidelines (WCAG) 2.1**, Level AA. These guidelines explain how to make web content more accessible to people with a wide range of disabilities, including visual, auditory, physical, speech, cognitive, language, learning, and neurological disabilities.

Crosspoint Orbital is actively working to maintain and improve accessibility standards across all pages and content.

Feedback

Crosspoint Orbital welcomes your feedback on the accessibility of this website. If you encounter any barriers or issues, please let us know:

- **Email:** info@crosspointorbital.com

Compatibility

This website is designed to be compatible with the following technologies:

- Modern web browsers (Chrome, Firefox, Safari, Edge)
- Screen readers (e.g., NVDA, VoiceOver)
- Mobile and desktop devices

Limitations and Alternatives

Despite best efforts, some content may not yet fully meet accessibility standards. If you need an alternative version of any content or require assistance, please email info@crosspointorbital.com.

Ongoing Efforts

Accessibility is an ongoing process. Periodic reviews, audits, and updates will be performed to ensure this site continues to meet accessibility requirements and best practices.
